Our Choice: A Plan to Solve the Climate Crisis by Al Gore

Our Choice gathers in one place all of the most effective solutions to the climate crisis that are available now and that, together, will solve this crisis. It is meant to depoliticize the issue as much as possible and inspire readers to take action-not only on an individual basis but as participants in the political processes by which every country, and the world as a whole, makes the choice that now confronts us.

Al Gore was the co-recipient of the Nobel Peace Prize in 2007
