

LOW PRICE GUARANTEE

We guarantee you the lowest price!

If you see the identical item advertised for less within 30 days of purchase at a local retailer, we'll refund the difference in cash. You must present your original bookstore receipt along with the current ad or other written proof of the lower price. The lower price cannot represent a one-of-a-kind, limited quantity, bonus or free-with-purchase offer. Sorry, because of the rapidly changing nature of technology, pricing on computer hardware, software, licensing as well as computer supplies and accessories cannot be guaranteed.
