As a member of the Alumni Association of the University of Nebraska, you can save 10% on your purchase on-line as well as in the store. Once you are finished shopping and are ready to "checkout", you will be given the opportunity to leave a comment to the store. In that area, please list the name of the alumni and the member ID number from the Alumni Association membership card. The discount will be applied when your order is finalized at the store. Not sure of your member number? Call 1-888-353-1874 and the fine folks at the Alumni Association will provide you with the number.
