Extend your coverage to three years of service and expert telephone technical support

We've Got You Covered

Buying a new Mac? Give yourself long-term peace of mind by extending the coverage on your Mac to three years from your computer's purchase date. The comprehensive AppleCare Protection Plan includes expert telephone tech support from the people who know your system best¹; dedicated access to web based support resources²; onsite service for desktop computers³; global repair coverage; repairs performed by Apple-authorized technicians who use only genuine Apple parts⁴; and powerful TechToolDeluxe diagnostic tools from Micromat.

Remember-the AppleCare Protection Plan can be purchased only while your computer is under standard warranty. To maximize the benefits of your plan, purchase it today.

¹Local telephone fees may apply. Telephone numbers and hours of operation may vary and are subject to change.
²Access to web-based resources requires the use of a compatible Internet service provider; fees may apply.
³Onsite service is not available in all locations.
⁴Repair service may include onsite, carry-in, and mail-in service; specific availability of each option depends on product type and location of AppleAuthorized Service Provider. Apple may also request that the customer replace components with readily installable parts.
