

# FRESHMAN ORIENTATION

Buy three college essential titles and get the Merriam/Webster Dictionary **FREE\***

## Cooking Outside the Pizza Box

Fast Food Beware!  
This handy cookbook gives you healthy, easy and cheap alternatives.

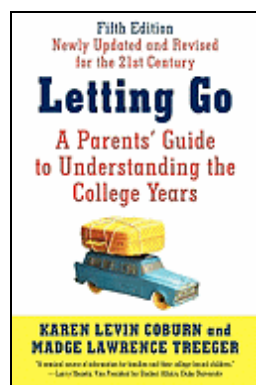

## Manual for Writers

You'll have to buy it anyway.  
Don't write a paper without it.

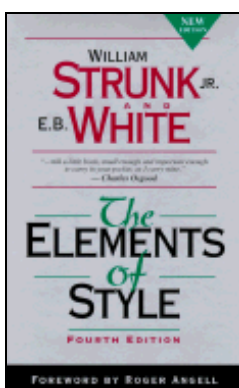

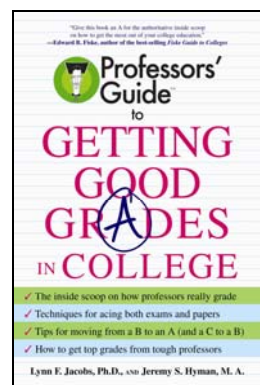

## Letting Go!

Parents Relax!  
This book gives a year by year breakdown of what to expect.

## Professor's Guide to getting Good Grades

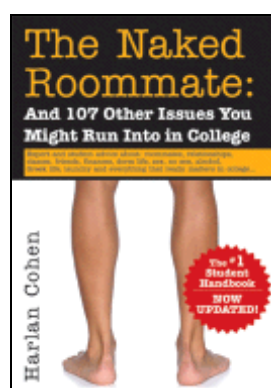

Secrets revealed!  
De-mystify the college grading system and get better grades.

## Elements of Style

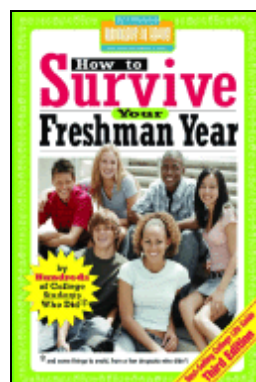

The Turabian Manual gives you the tactics.  
The Elements of Style gives you the strategy.

Strunk & White is to writing what Apple is to computers.

## The Naked Roommate

Your roommates are **NOT** your brother or sister.  
A funny and honest approach to managing money, work, stress and classes.

## How to Survive Your Freshman Year

Leave High School behind.  
The Freshman Bible: for freshmen by freshmen.

Let us help you define your college experience. Learn a little about life and some new words too. Pick up any three of the selected titles above and get a **FREE** Merriam/Webster Dictionary.

\* Offer valid only on in-stock titles above. Good while supplies last. See store manager for details.
