BE PART OF THE
TRADITION...

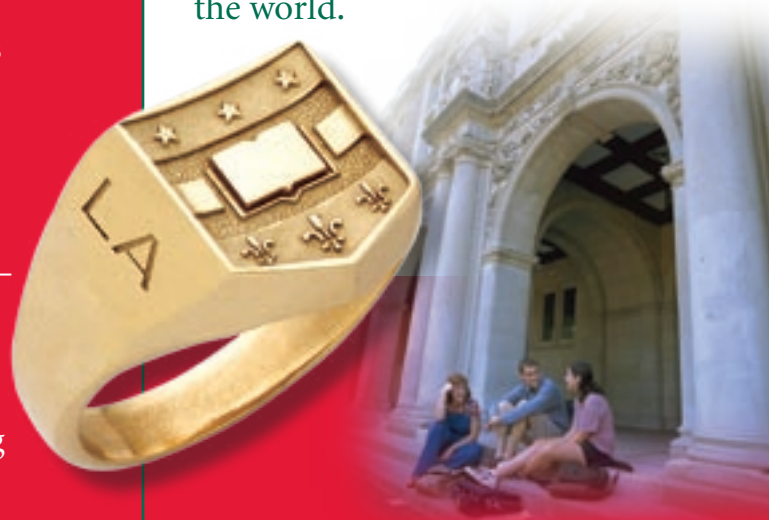

...with Your Official Washington University in St. Louis Ring!

As part of the University's 150th anniversary celebration, a committee of students and alumni was appointed by the Chancellor to create a lasting symbol for graduates to share. The result was the official ring of Washington University in St. Louis.

Capturing the University's tradition of achievement and excellence, the face of the ring prominently bears the University shield. The shield's three stars and two bars symbolize both President Washington's coat of arms and the stars and stripes of the American flag. The University's motto, "Per Veritatem Vis"—*Strength Though Truth*—is conveyed through the open book at the center of the shield. Three *fleur de lis*, representing King Louis IX of France for whom St. Louis was named, complete this classic shield.

Traditions are priceless—so are the friendships and communities you've developed at Washington University. The Alumni Association invites students and alumni to wear the University Ring in honor of these wonderful experiences and achievements. For years to come, your University Ring will continue to be a cherished symbol of your lasting connection to one of the finest academic communities in the world.
