

# NO MATTER WHERE YOU ARE, YOU'RE STILL A LUMBERJACK!

The NAU Bookstore values our distance learning students and provides products and services through our website at [nau.edu/bookstore](http://nau.edu/bookstore).

## Textbooks

The NAU bookstore provides multiple textbook choices for students. Our used textbook selection saves students 25% compared to the cost of new books. Our Rent-A-Text program enables students to rent their books and save up to 50% off the cost of buying new. Your textbooks may also be available through Café Scribe, our digital textbook solution. Café Scribe books provide students with another format for learning, as well as savings. We carry books for all online classes and any textbook order placed through our website will be fulfilled and shipped within two business days in most cases. Shipping transit time is usually one business day within the state of Arizona. If you have questions or need assistance with textbooks, you may contact us via email at [1008txt@fhcg.follett.com](mailto:1008txt@fhcg.follett.com) or call us at 928-523-6671.

## Textbook Buyback

The NAU Bookstore now offers textbook buyback services to distance learning students. No matter where you bought your books, you can sell them back to us. Just go to our website and click on the "about buyback" link on the bottom of the introductory page, complete the information on the "distance learning buyback form" and send them to us.

## Computers

Need a computer or software? As a distance learner enrolled at NAU, you are entitled to the same academic pricing as our on campus students. The NAU Bookstore carries the largest selection of academically priced computer hardware from Apple and Dell and a great selection of academically discounted software. We can also custom order any Apple desktop or laptop to meet your specific needs. Does your Apple computer need an upgrade or repair? We have the only authorized Apple repair center in Northern Arizona to help you get your system tuned up. Current software and computer hardware selections can be viewed on our website and ordered through our store. Save up to 85% on software and shop with us first! If you have questions or need assistance with purchasing computers or software, you may contact us via email at [1008trd@fhcg.follett.com](mailto:1008trd@fhcg.follett.com) or call us at 928-523-7222.
