

ONLINE ORDER INFO

Shop the easy way for Spring/Summer 2009!

Link here to the [WebPortal](#) and log in. After registering for your classes choose the "Order Text Books" option under "Services for Students." Your shopping cart will populate with the books you need. If the books are not available, we will hold your order and you will receive an email when the books are available. At that time, you can use the email to link back to and complete your order. You can choose to pickup your books at the bookstore or have them shipped to your home.
